Provided that when the advance is distributed to be recovered in more than 18 instalments, the interest may be recovered in two instalments.

15. *Deductions.*—Subject to the conditions that no deduction may be made which reduces the credit by more than the amount of any contribution by the Commissioner with interest thereon credited under rule 10 and 11 before the amount standing to the credit of a subscriber in the Provident Fund is paid out of the Fund, the Commissioner may direct the deductions therefrom and payment to the Administrative Account of—
